**The number 32 bus which has served residents in the western part of Norton Canes including Church Road and Norton Green Lane has recently gone from being a half hourly service to no service at all.**

This is a vital service that many residents rely on to get to the shops, to work or to medical appointments.

Amanda Milling, Prospective MP for Cannock Chase is working with local members of the community to urge Arriva to consider different bus service options for this area of the village.

Many local people are working hard with Amanda to get a bus service reinstated for this part of the village. But we need your help!
